

WELCOME TO BERZERK

To ensure your visit is safe and fun we ask that all adults read this safety notice before your children are allowed to play.

- All children **MUST** be accompanied by a responsible adult at all times. Berzerk does not accept responsibility for the supervision of children.
- A child feeling unwell or with a recent injury must not use any of the equipment.
- Please ensure no personal possessions (especially toys, badges, jewellery and watches) are taken into the play area.
- Please ensure all users have removed hard objects from their pockets before commencing play including mobile phones.
- We advise children not to wear spectacles on the inflatables or the play equipment.
- Socks and tops must be worn within the play area at all times, including the slides.
- All shoes must be removed before playing on the play equipment. (excluding the outdoor play equipment and the Go Karts where shoes **MUST** be worn at all times)
- The Go Kart track is in constant use so please be aware of moving go karts when entering and exiting the go kart track area.
- Children under 5 must have an adult seated behind them while riding the Go-Karts.
- Children and Adults must remove their shoes before entering the under 4's area.
- All of the equipment should only be used as intended.
- Only children aged 4 and under are permitted to play on the equipment in the unders 4's area.
- A no smoking policy, including Vapes / E-cigarettes, exists throughout the facility.
- Adults are not allowed on the inflatables or Air Bouncer.
- Climbing onto the walls of the inflatables is particularly dangerous and is strictly forbidden.
- No bouncing is allowed near the front edge of inflatables.
- Please discourage your children from climbing up any of our slides as they may collide with children coming down.
- Rough play, fighting flips and somersaults are forbidden. Repeated misbehaviour will result in children being asked to leave.
- Please acquaint yourselves with the Fire Exit doors, which are clearly marked. Should the Fire Alarm sound leave all belongings and make your way outside to Meeting Point A, situated adjacent to the entrance gates. Staff will evacuate the building and await the Fire Service.
- Should a child get into difficulty whilst on the play frame, please call a member of staff to help. We have a qualified First-Aider on duty at all times.
- Please report all incidents/accidents to one of our onsite Soft Play Supervisors.
- Please discourage children from running in the seating area where hot drinks may be present.
- We recommend that children do not go back to play immediately after eating.
- No food (especially chewing gum) or drink to be taken onto any of the play equipment
- We monitor the play area periodically to ensure children are playing safely, however this is not a replacement for parental/carer supervision.
- All users should be discouraged from throwing any objects.
- Parents/carers should monitor for children becoming over heated or over tired.
- Children should be encouraged to use the toilet before using the Play equipment.
- Mobile phones may only be used to take images when permission has been granted from the Centre staff.

If the above rules are followed, your visit will be fun and safe. If you have any concerns regarding safety at Berzerk, please see a member of staff who will be happy to help.
