

Street Sport Activators

Salary - £7.05-£9.50 depending on age

Street Sports sessions are fun, informal sports clubs that operate in the community, for the community. They provide an exciting and varied sports offer to disadvantaged young people, improving motivation and encouraging them to develop long-term sporting habits. Sessions run Monday to Friday, at various locations across Northampton, every evening 5.30pm-7.30pm.

We are looking to recruit a team of enthusiastic, motivated and dedicated, Street Sports Activators to deliver and facilitate our wide ranging, award-winning Street Sports program.

If you have experience of working with children and young people age 8-18 years, ideally in a sports capacity, then we want to hear from you. Whilst it would be ideal for you to hold a recognised Sports Coaching Qualification, we are able to provide all of the necessary training, including a recognised Multi Skills Activator Course, if you supply the commitment, passion and enthusiasm!

Our organisation is committed to safeguarding and promoting the welfare of children and vulnerable adults and expect all staff to share this commitment. Any offer of employment is subject to satisfactory completion of pre-employment vetting checks, including DBS and references.

It is a criminal offence for people who are barred from working in regulated activity to apply for roles that require them to work unsupervised with that particular group, i.e. adults at risk, children, or both.
